Billing Preference

Traditional Mail

Email

If the billing email is different from the Owner's email, please list it below

Billing Email: _____

Recipient Details

Number of recipients desired:

Projected birth weight of calves (approximate range): _____ to _____ pounds

Calving seasons: Fall only Spring only Both

Desired calving date range:

Fall: _____ to _____

Spring: _____ to _____

Desired FIRST transfer date: _____

List any additional specific transfer dates you will need here:

If none are listed, we will keep putting in frozen embryos until your cutoff projected calving date

If you know you will need specific dates in the case of transfer of fresh embryos, but don't know them yet, don't worry... just check the box here so we know to be on the lookout.

Please remember to **INFORM US IN ADVANCE ONCE THE DATE GETS CLOSER**. Minimum 30 days advanced notice is necessary for specific transfer dates. 24-hour advance notice is required prior to delivery of an incubator.

Embryo Details

Number Of Embryos:	Type:	Arrival Date:
Company producing:		
Producing company's thaw temp recs:		
Preferred day of estrous cycle for transfer (if none is listed, we will transfer frozen IVFs on day 8 and frozen traditional on day 7)		

Embryo storage is provided free of charge for the duration of your contract year.

Any embryos remaining after that date can either (check one):

Be shipped to you at your own expense **or** Begin incurring monthly storage fees.

Calves & Bred Recipient Info

See contract for included health management provisions.

Want something additional? Let us know here:

For Calves

Acquisition of genetic material at birth. We do this with Allfex TSU's which will be labeled and mailed to you, NOT to your breed association or lab.

Application of EID tags

I will provide these prior to calving I want you to provide and record these

Provision of creep or other specific feed.

Check this box and then call or email us to discuss your ration.

Anything else? Write it here and we will get er done:

What is your desired days of age for weaning (pick a number between 160 and 200) _____

We keep the calves a minimum of one week after weaning on the fence line. We can keep them for 3 weeks for free. After that they start racking up the boarding charges.

So... when would you like us to (pick one):

Deliver them Arrange shipping Help you load them

Write the days after weaning here:

Before they go, do they need:

Bangs vaccines Health certificates Brand inspections

Anything else? Please Specify Below

Its recommended you check the import requirements for your state prior to loading them up.

For Bred Recipients

How many days pregnant would you like them to be before they travel?

There is a 60 day minimum, and up to 80 is free. After 80 days those darn boarding fees will kick in again.

Pick a number between 60 and 80 and write it here: _____ and then let us know, should

we: deliver them Arrange shipping or Help you or your shipper load them

Deliver them

Arrange shipping

Help you load them

Write the days of pregnancy here:

Would you like:

Fetal sexing

Health certificates

Brand inspections

Anything else not included in the contract? Please write it here and we will reach out.
